

Because access shouldn't be a barrier

BAXFENDY is by your side with helpful support from ASPN Pharmacies.

BAXFENDY
by your side

aspn Pharmacies

ASPN is your Prior Authorization (PA) partner. It can be simple to use ASPN Pharmacies once you choose BAXFENDY:

1. Search ASPN Pharmacies in the National Pharmacy Database in your EMR/EHR
2. Import the pharmacy to your local database
3. Prescribe BAXFENDY to ASPN Pharmacies

EHR=electronic health record; EMR=electronic medical record.

Once you prescribe BAXFENDY to ASPN, here's what you can expect:

To support you and your office staff, ASPN will:

1. Conduct benefit verifications while identifying and initiating PA requirements
2. Start the PA form and send it to your office, which will include pre-filled patient and medication details and the prescriber key code
3. Your office will review, complete any necessary information, then sign and send back to ASPN. ASPN will submit and then track and inform you of the status

To support your patients, ASPN will:

Apply available savings to provide them the lowest out-of-pocket cost available

Offer them the convenience of choosing home delivery or the pharmacy of their choice

Frequently asked questions:

Do I need to register to use ASPN?

Registration is not mandatory to prescribe to ASPN, but when you choose to register in the portal, you will have access to real-time visibility into prescription and PA status and will be able to chat directly with ASPN in the portal.

If you'd like to register:

1. Visit www.aspnpharmacies.com
2. Select **Login**, then **Prescriber Login**, then **New User** and follow the prompts. Each user or prescriber must set up their own account

Will patients be contacted directly?

Yes. Patients will receive a welcome text and will be contacted directly to confirm address, pharmacy preference, and any additional information needed.

Are savings programs applied automatically?

Yes. Any available and applicable savings are applied to help reduce patient out-of-pocket costs.
